SUBJECT: CHANGE OF NAME

ATTENTION: Judy Dunlap

Dear Judy,

Pursuant to our telephone conversation on August 18th, The Boeing Company would like to change the name on the attached list of Radio Station Licenses. These licenses are currently under Licensee Name McDonnell Douglas Radio Services Corp which is a wholly owned subsidiary of The Boeing Company. Due to some restructuring within the Frequency Management Services Department Boeing wishes to consolidate licensing under a central name and location with no change in ownership, corporate structure or entity.

Please change the attached One Hundred Twenty Three (123) licenses to reflect the following name and address:

The Boeing Company  
Attn: Frequency Manager MC 3U-AJ  
PO Box 3707  
Seattle, WA 98124-2207

If you should have any questions please call me at (562) 797-1083.

I greatly appreciate your assistance with this matter.

Sincerely,

A handwritten signature in black ink that reads 'James M. Olson'.

James M. Olson  
Frequency Management Services
