Application Narrative for Proposed Equipment

Proposed Program

Microsoft is proposing GPS within their lab facilities for testing purposes.

Objectives

We seek to accomplish the following objectives:

1. Illumination of the part of the facility, located at 1 Microsoft Way, Redmond, WA and 637 Gibraltar Drive, Milpitas, CA with a GPS signal to allow for the testing and experimentation indoors for continued exploration of utilizing GPS technologies within their electronic devices to provide innovative applications and continue to provide safe products.
2. Further design, development and enhancement of existing GPS applications to provide greater efficiency and more effective means of utilizing GPS derived information.
