Gentlemen:

Subject: Form 442 and STA License Letter Application

Enclosed please find a Form 442 and a STA License Letter Application, each with a \$45 fee check attached. We are applying for licensing to operate five (5) Inmarsat Standard B terminals, of our own Model TCS-7700, recently type-approved by Inmarsat. As a long time provider of Inmarsat terminals and equipment, we look forward to this latest product and newest addition to the Inmarsat line of terminals.

We are requesting the terminal licensing for use in test and demonstration purposes, and request the STA license so we may quickly test and show our equipment in a variety of applications. Your assistance, as always, is very much appreciated. If there are any questions, please contact our office. My telephone number is 301-590-8522.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. Douglas Thomas".

J. Douglas Thomas
Director, Operations
