Please find enclosed Remittance Advice form 3060-0589, for renewal of the reference Experimental License (copy enclosed).

The renewal was completed on line, there are no changes to the original license, we wish to renew it for 2 years.

We were not able to use the on line credit card payment feature, there was a System or Network error, so please accept the enclosed check for \$60.00.

Please let me know if any further action is required, or notify me when the license renewal has been processed.
