

Withdrawal of Experimental STA Request
OET File No. 0323-EX-ST-2014

This is to request the withdrawal of above-referenced application, initially submitted April 16, 2014, on behalf of Motorola Solutions, Inc.

The company understands that the Experimental Licensing System (“ELS”) does not have an option to indicate that the application has been “withdrawn” and, thus, the database will indicate instead that the application has been “Denied/Dismissed.” The company further understands that such action is “without prejudice.”
