Message:

Mr. Ramnath,

Even though Motorola has been operating under this license for quite sometime, due to sharing with federal operations some of the requested frequency bands will have to be coordinated with NTIA. If there is no need for those shared bands, please remove them from the application; otherwise, with your consent we'll processed with coordination as it is.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 25, 2012 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
