This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments and AFTRCC comments. These messages must not be separated.

This coordination is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses or expenses that may arise from the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.

Stop Buzzer POC is Gregory Buchwald ([815-351-4020](tel:815-351-4020))

AFTRCC comments: Strict non-interference basis to Flight Test Mobile and Fixed telemetry.

Non-interference basis to other authorized users within radio line-of-sight.

Applicant has stated that this device is being developed strictly for export (XE) and will not be marketed in US&P and has provided point of contact for Stop Buzzer if required.

Please reply via return email as to concurrence or non-concurrence, scheduling, or any additional comments.
