

March 26, 2019

To Whom it May Concern:

Murray City School District deploys and or manages radio frequency equipment.

The RF Experimentation will be conducted by a following a strict test plan defined and approved by Murray City School District in a controlled environment.

Murray City School District will have a project manager in place to specifically follow the test plan, track results, and publish test results.

Murray City School District has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Murray City School District meets the Eligibility Criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jason Eyre', with a stylized, flowing script.

Jason Eyre

Technology Department Coordinator

Murray City School District
