**To Whom It May Concern:**

This is to certify that:

NCN Holdings is deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by NCN Holdings in a controlled environment.

NCN Holdings will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

NCN Holdings has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe NCN Holdings meets the Eligibility criteria for an Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,
