Subject: Additional Information Request

Message:

Please upload an exhibit that clearly describes your modification request.

Please Do NOT edit the already approved frequency when you file for modification. You can add a new antenna and add the desired frequencies to that. Please change the application to show the approved frequency in your original application. Center Frequency of 28 GHz and Bandwidth of 2 GHz.

You mentioned that measurement is for NASA Project. Please provide the latest Government Contract Number, Name of the Agency, Agency Contact Name, and Agency Contact Phone number

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 26, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
