Re: Experimental Radio Service Station License for KB2XAG  
(File No. 5145-EX-AL-96)

Dear Ms. Secretary:

On behalf of Northrop Grumman Corporation, there is submitted herewith, on FCC Form 405, an application for renewal of radio station license in specified services for the above-mentioned authorization, licensed under Part 5 of the FCC Rules. This application for renewal is being late-filed due to an inadvertent error. The license for KB2XAG expired on May 1, 1998.

Also enclosed is a FCC Form 159 and a check made payable to the "Federal Communications Commission" in the amount of \$45.00 to cover the requisite filing fee.

Any questions concerning this filing may be directed to the undersigned.

Respectfully submitted,

Thomas J. Keller
