Subject: Additional Information Request

---

Message:

Please address the following question/concern:

Please ask the applicant to change the nature of service for the X-band downlink to something other than space research or justify why this should be space research and provide a detailed compatibility study. The 8037-8053 MHz band is not allocated for space research.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 09, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
