

INTERFERENCE ACCEPTANCE AGREEMENT

This Interference Acceptance Agreement is entered into as of September 24, 2015 by and between WTOV Licensee, LLC ("WTOV Licensee"), licensee of WTOV-TV, Steubenville, Ohio (FCC Facility ID No. 74122), and the National Association of Broadcasters ("NAB").

WTOV Licensee holds a digital television ("DTV") license from the Federal Communications Commission ("FCC") to operate on channel 9 with an effective radiated power ("ERP") of 30 kW. See FCC File No. BLCDDT-20111206ACB.

As proposed, NAB is seeking FCC consent for special temporary authority ("STA") to conduct ATSC 3.0 field testing in the Cleveland Ohio area. The NAB's field testing will be carried out by Meintel, Sgrignoli and Wallace. Theoretically, the field testing proposed in the NAB STA may cause prohibited interference to WTOV-TV's authorized digital operations.

WTOV Licensee and the NAB acknowledge the potential for interference caused by the ATSC 3.0 field testing proposed in the NAB STA.

The instant Agreement memorializes WTOV Licensee's consent, with certain conditions, to said interference in order to permit the FCC to grant the NAB STA.

In consideration of the mutual covenants and promises set forth herein, the receipt and sufficiency of which are hereby expressly acknowledged, WTOV Licensee and the NAB hereby agree as follows:

1. WTOV Licensee hereby consents to FCC approval of the NAB STA.
2. All operation at a power level above the FCC threshold will be limited to the hours of 9:00 AM – 4:00 PM and 11:30 PM – 5:30 AM Weekdays. WTOV-TV shall not be subject to any interference on Saturday or Sunday.
3. Preliminary assessment of interference must be coordinated with WTOV-TV prior to beginning any ATSC 3.0 field testing.
4. Operation will be immediately discontinued if interference is judged to be objectionable to WTOV-TV.

This Agreement shall be governed by the laws of the State of Maryland without giving effect to the choice of law provisions thereof. This Agreement constitutes the entire agreement and understanding of the parties hereto and supersedes all prior agreements and understandings with respect to the subject matter hereof. No consideration is being paid by either party in connection with this Agreement.
