Subject: Additional Information Request

Message:

1) Provide a signed copy of the ODAR.

Answer: The ODAR has been uploaded as an exhibit to the application.

2) Fill out the NTIA Space record form. Don't forget to include the ORB for satellite receiver if you're doing Space to Space communication.

Answer: The NTIA Space record form, ORB for receiver included, has been uploaded as an exhibit to the application.

 3) Make sure that the parameters in your SpaceCap matches to that in your application and to that in your narrative.

Answer: We have updated the Technical Description narrative, uploaded, to match other documents, and now our review shows that the values in all the documents are consistent.

4) Provide a NOAA letter for applications that involve imaging.

Answer: The NOAA Waiver letter is has been uploaded as an exhibit to the application.

5) Verify that there are no fatal errors in your SpaceCap.

Answer: There are no errors in the SpaceCap.

6) Provide Earth Station and Space Station Antenna Beam Diagrams.

Answer: The Antenna Beam Diagrams have been uploaded as exhibits to the application.

7) Provide ITU Cost Recovery letter.

Answer: The ITU Cost Recovery letter has been uploaded as an exhibit to the application.

 8) Provide SpaceCap File.

Answer: The SpaceCap File has been uploaded as an exhibit to the application.
