Subject: Additional Information Request

---

Message:

Please address the following questions and concerns.

- 1) The NTIA data form includes a ground station but does not include the transmit from the ground station as indicated in companion filing 0211-EX-CM-2020. The Uplink S-band frequency should be included.
- 2) In the Spacecap, the nature of service to transmit to the GlobalStar constellation is entered this as EH, it should be ES
- 3) The emission designator used is listed as 2M50G1D in this instance, for transmission to the Globalstar constellation it should be 1M23G7W.
- 4) Please provide the receive Uplink S- band frequency.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 19, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
