Subject: Request for Info - File # 0756-EX-CN-2021

---

Message:

Mr. Le - You asked that we amend the application to specify operations in the 5925-6400 MHz frequency range. By this response we request amendment of application file number 0756-EX-CN-2021 and agree to limit operations to 5925-6400 MHz, instead of the initial request of 5900-6400 MHz.
