

Description of Renewal Application

By this application, Nokia seeks partial renewal of its license to conduct tests at four of the seven locations listed under call sign WE2XNR. Specifically, Nokia seeks renewal of its license to conduct experimental operations at Irving, TX; Sunnyvale, CA; Mountain View, CA; and Chicago, IL (currently identified as Station Location Nos. 3, 5, 6 and 7, respectively).

Nokia does not seek renewal of its license for the locations at San Francisco, CA; Burlington, Massachusetts; and San Diego, California (currently identified as Station Location Nos. 1, 2, and 4, respectively).
