Subject: Additional Information Request

Message:

Please address the following:

- 1) I removed the four locations from 0337-EX-CN-2021 that are already licensed under FLN 0499-EX-CN-2019. If you want to continue to perform your experiment at those 4 locations then file for a renewal for the Call Sign WK2XIK FLN 0499-EX-CN-2019 before the expiration date. You will need to pay the fees for that application if you decide to file a renewal.
- 2) For our purpose, this is a new stand-alone application. Therefore you need to submit an exhibit that clearly describes your experimental license request. Review your technical parameters and the geographical coordinates. You have paid the fees for this application.
- 3) Inform me via email once you have address all the items on the list.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 05, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
