Subject: Request for Info - File #0006-EX-ML-2014

Message:

The requests in this application (0006-EX-ML-2014) have been discussed with the FCC Spectrum Assignment and Engineering Office, FAA Headquarters (AJW-1C2). Our understanding is that coordination can be granted subject to the two conditions for the 2900-3100 MHz band that are indicated in the Exhibit attached to this application. FAA contacts are: Andres.CTR.Rosa@faa.gov and Thomas.Ahn@faa.gov.
