Dave,

File Number: 0263-EX-CN-2019 Confirmation Number: EL277097

I don't see any payment made for this application. So yes you will need to do that as well.

Nimesh,

Thanks. The request has been submitted to AFTRCC, but they are tied up with their national meeting or something, it will be next week some time before they get to it.

But can you help me with this: I am missing the "EL" number needed to modify the application. (We are going to delete request for 2305-2360 MHz.). I also do not have a payment receipt (which would show the EL #.). Can you see if (1) it has been paid or not, and (2) send me the EL # ?

Thanks. I "always" pay at same time as file, and the EL # is on the payment form for my records, so I don't know what happened here.

Regards,

Dave

David,

For the File Number: 0263-EX-CN-2019, you have a frequency request 2305-2390 MHz. Prior coordination with the AFTRCC is required for this. Please let me know when you do submit this exhibit.
