Subject: Additional Information Request

Message:

- 1) Does the current area of operation include any portion in Canada after you take into account the center coordinator of operation and radius of operation?
- 2) Are all the surface vessels used in this experimental request U.S.-registered vessel(s)? (Yes/No)
- 3) Please explain the communication path for the 1390-1400 MHz band request.
- 4) Your exhibit also states that "Control of the Armada fleet vessels will be maintained at all times using satellite and WiFi links for redundancy purposes." Do you have a license for the satellite portion?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 16, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
