Message:

I sent one more question in my previous email. Please address that.

1) Does the current area of operation include any portion in Canada after you take into account the center coordinator of operation and radius of operation? If yes, then you need to remove that portion.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 20, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
