GRANT-IN-PART

Dear Dennis Niermann,

This refers to application, File No. 0399-EX-PL-2014, for Experimental Radio Station WH2XGE.

The enclosed authorization shall be considered as a grant of the referenced application unless rejected by a written notice within thirty (30) days from the date of this letter, whereupon the enclosed grant will be vacated. Such rejection should include a statement of the reasons, if any, why the applicant believes that the application should be granted in accordance with the terms requested therein.

You are advised that the Commission was unable to make a finding that the public interest would be served by a grant of the application in the manner requested. NTIA objects to the request to operate at 410-420 MHz and 420-430 MHz band because the bandwidth exceeds 12.5 kHz. See Narrowband Item R&O. FCC 05-69. Rel 3-11-05.

Responses to this correspondence must contain the Reference number : 24048

Sincerely,

James R. Burtle
