Accredited, 10/01/1963-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2022-2023

Accredited By:

Engineering Accreditation Commission

Criteria:

Chemical Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) ****CIVIL ENGINEERING, BS**

Accredited, 10/01/1951-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2022-2023

Accredited By:

Engineering Accreditation Commission

Criteria:

Civil Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

COMPUTER SCIENCE, BSCS

Accredited, 10/01/2000-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2019-2020

Accredited By:

Computing Accreditation Commission

Criteria:

Computer Science

International Mutual Recognition Agreement:

Seoul Accord > (<http://www.abet.org/mutual-recognition-agreements/>) **

ELECTRICAL ENGINEERING, BS

Accredited, 10/01/1951-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2022-2023

Accredited By:

Engineering Accreditation Commission

Criteria:

Electrical and Electronics Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

INDUSTRIAL AND SYSTEMS ENGINEERING, BS

Accredited, 10/01/1968-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2022-2023

Accredited By:

Engineering Accreditation Commission

Criteria:

Industrial Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

MECHANICAL ENGINEERING, BS

Accredited, 10/01/1951-Present

Accredited Locations:

Main Campus

Date of Next Comprehensive Review:

2022-2023

Accredited By:

Engineering Accreditation Commission

Criteria:

Mechanical Engineering

International Mutual Recognition Agreement:

Washington Accord | Bilateral Engineers Canada > (<http://www.abet.org/mutual-recognition-agreements/>) **

|

**Users must review details for each Accord to determine if their program is recognized internationally.
