

Deploy Notice: VCC Cubesats

On July 3, 14:50:00 UTC, the following satellites were deployed from the ISS into Low Earth Orbit:

CERES-VT: Virginia Tech, 0252-EX-CN-2018

LIBERTAS: University of Virginia, 0263-EX-CM-2018

AETERNITAS: Old Dominion University, 0255-EX-CN-2018

As of July 5, 2019 no transmissions have been verified from any of these. The file for each will be updated when contact is made.
