

Name: Mark Mills

Company: Orbital Sciences Corporation

Title: Principal RF Engineer

Date: 29 April 2013

Subject: Explanation for Fee Exemption

---

This STA application submitted 29 April 2013 is to request an extension to the previously granted STA File Number 0611-EX-ST-2012. The fee was paid at the time of that original application for this STA. It is understood that there are no additional fees levied for extensions to existing STAs, making this application exempt.
