Subject: Additional Information Request

---

Message:

The modification application initially submitted transposed the latitude coordinates. that has been corrected by amending the application. The correct coordinates are 40-44-47 North and 73-59-8 West.

All operation, that pursuant to the initially granted experimental license for WJ2XTP and that pursuant to the additional antenna at the same location in New York City will be conducted in New York City as specified in the narrative submitted with the pending modification application.
