Greetings, Nimesh. I paid the Filing fee for the above STA application when I filed the application. It went on my personal credit card. I have sent you a copy of the application as-filed with the confirmation of the fee and the confirmation of my having paid it. My FRN is 0007026396.

The FCC Code is 13EL838731. The remittance ID is 3568014 and the Treasury Tracking ID is 26S1HVJA. The fee amount was \$70.00.

Not sure why it didn't show as paid....

Best, Chris
