Message:

Mr. Leo I. George,

The emission designators (the necessary bandwidths and the three alphanumeric emission symbols as described in Part 2.201 of CFR 47) must be entered for each antenna location, and the information concerning the equipment must be reported (i.e. the manufacturer, model number, experimental or non-experimental, and especially the maximum quantity of transmitters that are intended to be used at any given time).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 27, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
