To Whom It May Concern:

This is to certify that: Pierson Wireless Corp. deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Pierson Wireless Corp. in a controlled environment.

Pierson Wireless Corp. will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Pierson Wireless Corp. has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Pierson Wireless Corp. meets the Eligibility criteria for a Special Temporary Authority experimental license as set forth in the Commission Rules.

Sincerely,

Roderick Maddox
