Message:

For file 0529-EX-CN-2021 in Yuma, there is only 1 licensee in the FCC database for the range of 2155-2160 within 99km: WQWQ728. The uploaded file "Operator Consent" has consent for the AWS G block call sign WQWQ728

The file name "Operator Consent 1" is consent for a range requested in other files and can be ignored for this filing. Apologies for the confusion.

Best regards,
John
