John,

Experimental STAs cannot exceed 6 months period. If you need a longer license period to cover the duration of 1-year testing, you need to file Form 442. Please bear in mind an extension cannot be granted when the 6-month is exhausted. If you would like us to process this STA then please update the start and end dates.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 02, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
