This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments and AFTRCC comments. These messages must not be separated.

This coordination is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses or expenses that may arise from the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.

Subject: [Non-DoD Source] AFTRCC ICN 1560-19/8044 (RF Film Inc STA/Aerial Filming-Los Angeles, CA)

AFTRCC concurs with and requests DoD Western AFC concurrence/coordination on the following STA request. Due to potential interference with CPCommunications if the LA Dodgers remain in pennant race, RF Film has agreed not to transmit on those days aerially. **This supplements AFTRCC ICN 1558-19 previously coordinated for this event (adds additional frequency). Same local coordination required with CP Communications if MLB playoffs are underway in Los Angeles.**

Applicant:

RF Film Inc.

10500 Airpark Way, Unit M-3

Pacoima, CA 91331

POC: Danny Reichert (410-336-9017)

Frequencies: 2386.0 MHz

Station Class: MOEB

Emission: 8M00D7W

Power: 200mW ERP Terrestrial

Location: Los Angeles, CA (34-02-29 N 118-13-46 W)

MIRAD: 20 miles (32 KM)

Dates: 2019-10-15 thru 2019-11-14

AFTRCC comments: non-interference basis to Flight Test telemetry.

RF Film Inc has agreed to non aerial transmit on LA Dodgers baseball days to prevent potential interference to other authorized user within MIRAD for possible MLB event.

Please reply via return email as to concurrence, non-concurrence, scheduling, or additional comments.
