

Date: January 12, 2018

In re Application of

RF Film, Inc.
10500 Airpark Way
Unit M-3
Pacoima, CA 91331

To operate in the 2360 -2390 MHz Telemetry
Band to provide Film coverage in and around Staples Center Downtown Los Angeles
California

ATTN.: Microwave Branch

RF Film, Inc. hereby requests Special Temporary Authority (STA) to operate in the 2360 -
2390 MHz telemetry band, pursuant to Section 21.25 of the Commission's Rules. RF
Film, Inc. requests that the Commission grant it temporary authority to operate on the
**frequency centered on 2368MHz with an 8MHz bandwidth from January 18, 2018
with intermittent usage and ceasing operation on February 17, 2018.** As explained
below, RF Film, Inc. is filing an STA request for the shooting of a **Aerial Film shot** For
Anonymous Content Inc.. RF Film, Inc. submits that there are extraordinary
circumstances warranting a grant of the STA request.

Anonymous Content has contracted RF Film, Inc. to provide the necessary microwave for
the shooting of this video content. Due to the extreme frequency congestion in the Los
Angeles area, coupled with the added congestion from traditional Television and News
coverage of special events in the area, RF Film requests the use of a channel in the
2360-2390MHz Telemetry Band.

RF Film, Inc. certifies that the operation of the requested channel for the purposes
specified herein will not cause interference to any established stations.

Grant of the instant request for STA in the 2.3GHz band would serve the public interest
by enabling RF Film, Inc. to supply the requested remote video coverage for this event.
The proposed service would enhance filming of the event by providing on the spot
pictures from mobile locations that would not otherwise be available to the production
company. RF Film, Inc., is in the process of obtaining the consent of the relevant
frequency coordinators for this project, including AFTRCC. AFTRCC has indicated its
intent to forward the results of the coordination to the Commission.

In accordance with Section 74.633 of the Commission's Rules, the following is provided:

Applicants Name: RF Film, Inc.
Address: 10500 Airpark Way
Unit M-3
Pacoima CA 91331

Type and Manufacturer
Of Equipment: Janteq

Power Output: 100mw

ERP: 200mW
1W

Emission: 8M00D7W

Frequency: **2368.0000MHz, 8M00D7W @ 2W AERIAL**

Area of Operation: 20 miles radius (32 Km)

Coordinates: 34°02'26.57"N , 118°14'48.37"W

Antenna Height: **MANNED HELICOPTER @ OR BELOW 500' AGL**
(152 meters)

Antenna: 2.0dB Omni

Antenna Gain: 2.0dBi

Dates of Operation: January 18, 2018 through February 17, 2018.
(Intermittent Usage during this time Period)

RF Film, Inc. requests an STA to operate on the above-referenced frequency for a period not to exceed 60 days. No application for regular authorization will subsequently be filed.

RF Film, Inc. certifies that no party to the application is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C § 853(a).
