|           | FEE AMOUNT         | SERVICE                            |
|           | ID SEQ.            | CLASS OF STATION                   |

Name of Applicant (must be identical with that shown on current authorization)

Rockwell International Corporation

Mailing Street Address or P.O. Box, City, State and ZIP Code of Applicant

Attn: H. T. Blaker  
1745 Jefferson Davis Hwy., Suite 900, Arlington, VA 22202

3. Application is for renewal of license in exact conformity with the existing license as specified below:

|                                      |                                       |                                |                               |
|--------------------------------------|---------------------------------------|--------------------------------|-------------------------------|
| a. File Number<br>See attachment     | b. Date Issued<br>see attachment      | c. Call Sign<br>see attachment | d. Location<br>see attachment |
| e. Nature of Service<br>Experimental | f. Class of Station<br>see attachment | g. Expiration Date<br>8-1-90   |                               |

4. Note any changes such as discontinuance of use of a frequency, or of a type of emission or of a transmitter, correction of serial number of a transmitter; or any minor change in a transmitter not requiring a construction permit, which have been made since the last application covering this station was filed:

5. Applicant represents that there has been no change in applicant's organization and that there has been no transfer of control of changes in the applicant's relation to the station, financial responsibility, or in the equipment authorized to be used by the station; that applicant's most recent application or report embodying this information, as identified below, is to be considered as a part of this application, and the truth of the statements therein contained is hereby reaffirmed. Note here any further exceptions, not already covered in question 4.

File No. 1333-EX-R-89

Date 9-11-89

Grant of this application would not constitute a significant action pursuant to Section 1.1307 of the Commission's Rules

6. Certification

a. Applicant waives any claim to the use of any particular frequency or of the electromagnetic spectrum as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and requests a station license in accordance with this application. Applicant acknowledges that all attached exhibits are a material part hereof.  
b. The undersigned, individually and for the applicant, hereby certifies that the statements made in this application are true, complete and correct to the best of the signer's knowledge and belief, and are made in good faith.

|                       |   |                                    |
