Message:

The antenna mounting sketch was incorrectly marked confidential. However, I have been unable to change the selection to correct this mistake. Please advise on how to make this change.

I have attempted to upload a pdf file with an explanation of the purpose of the experiment using the "Add Attachment" and the website indicates the upload status as successful. However, the file is not in the list of exhibits. Please advise on how to add this exhibit if it was not received.

Respectfully,
Kenneth Underwood
