Subject: File Num#0434-EX-CN-2021 reminder on FAA pre-coordination data request

Message:

It is even worse than before. Your system says there is no application called 0434-EX-CN-2021. I have nothing but frustration dealing with this FCC web app.

I am sure I uploaded last year's FAA coordination document but now I have no way to access the application to check. Please advise.
