

Raytheon Company (Missiles & Defense – M)
Experimental License Application
File Number: 0791-EX-CN-2021

Explanation for Filing

Raytheon Company (Missile & Defense – M) (Raytheon) has submitted a procedural application. The substance of the application is being filed under the Commission's procedures for classified filings.

That subsequent filing will contain the proper technical data for the application and an explanation of the experimentation. The information entered into the application is place-holder information, which allows the application to complete the ELS filing process.

Operations will take place at the Raytheon plant site in Tucson, AZ, primarily.

The coordinates for the Tucson headquarters at 1151 E. Hermans Road, Tucson, AZ are:

32-06-21 N
110-57-06 W

At the Tucson site, there will be outdoor operations with antennas mounted atop buildings, pointing toward one another. The orientation in the vertical plane is 0 degrees.

All technical questions regarding this application should be sent to Jim Ortega, Spectrum Manager, Raytheon Company (Missiles & Defense – M), 520-794-0227, james.e.ortega@raytheon.com.

Procedural questions may be directed to Anne Cortez, Counsel, WFS, 520-360-0925 or alc@conspecinternational.com.

Thank you for your assistance.
