

**Subject: Request for FCC Experimental License renewal for Testing of the Automatic Toll Collection Equipment FCC File Number: 0217-EX-CR-2021**

Raytheon Intelligence & Space (RIS) (Applicant) has a requirement to perform intermittent factory testing of automatic toll collection equipment at the Raytheon facility in Fullerton, CA.

Applicant requests a term of 24 months from date of grant. Further, Applicant recognizes that grant of the application would be conditions upon non-interference to other radio stations licensed on these frequencies.
