

**Subject: Request for FCC Experimental License renewal for Testing of the Skyler Radar FCC File  
Number: 0352-EX-CR-2021**

Raytheon Intelligence & Space (RIS) (Applicant) has a requirement to perform intermittent testing of Skyler Radar at Raytheon facility in Burlington, MA.

Applicant requests a term of 24 months from date of grant. Further, Applicant recognizes that grant of the application would be conditions upon non-interference to other radio stations licensed on these frequencies.
