Ben,

I can cut the radius to 100 km or 60 miles that will cover our experimental plan.

Thanks!

John

Mr. Adams,

Would it be possible to lower the radius of operation from 300 km? If yes, please indicate the new radius?

Importance: High

Ben,

I have attached the following technical specification for this system; please consider this system is design not to cause interference at 10ft away.

Regards,

John
