

File Number: 0211-EX-RR-2014
Call sign: WA2XZW
6/19/2014

The renewal of WA2XZW includes the removal of the Jamestown, RI location and associated frequencies.

The call sign will be used to continue experimentation with maritime radars, but not under the previously cited Navy contract.

Raytheon is in the process of obtaining FAA coordination and will provide evidence once received.
