Message:

Who is the operator of these UASs? If DARPA, does DARPA have a license to operate them in 2110-2200 MHz band? If Raytheon is the operator, why the number of UASs is not provided under the "Equipment" section of your application? Furthermore, What is the height of UASs AGL?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 17, 2019 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
