RE: Experimental Radio Services  
(Part 5 of the FCC Rules)

Dear Ms. Shipyan:

Your request for license renewal of experimental radio stations KI2XDY and KI2XDZ are hereby returned to you, because they are past the due date for filing. Section 5.55(d) of the FCC's Code of Federal Regulations states: "Unless otherwise directed by the Commission, each application for renewal of license shall be filed at least 60 days prior to the expiration date of the license to be renewed". The license expiration dates on stations KI2XDY and KI2XDZ was August 1, 1997. In order to obtain valid licenses for your experimental radio stations, you must reapply on Form 442. Please submit the completed Form 442s through the Mellon Bank at P.O. Box 358320, Pittsburgh, PA 15251-5320. For your convenience, two copies of Form 442 are enclosed. Please reference your previous call signs in your applications.

Thank you,

Nancy Hey,  
Information Technician  
Experimental Licensing Branch
