Jose, in regards to the below request for a renewal of the current license. Please cancel the request below for a renewal but leave the current license in place (it doesn't expire until June 1st 2008). We are in process of starting a new license under a common FRN at Raytheon.

Thank you for your time.

Warm regards,

Brian R. Kavalal

Mr. David Longworth,

Authorizations longer than a regular two-year license require a justification. Please justify the need for a four-year license, or would you prefer only a two-year license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of 05/02/2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
