Subject: 0980-EX-ST-2017 pre-coordination data request

---

Message:

Republic Wireless has amended its application (No. 0980-EX-ST-2017) to delete the request to operate in the 5170-5250 MHz band. Because the U-NII-1 band is no longer part of the STA, Republic Wireless respectfully requests that the Commission continue processing the application.
