Subject: FCC File No. 1507-EX-ST-2017

Message:

There is already an STA license for NC and IL locations under STA No. 0980-EX-ST-2017 where it'll be expired on Feb 1, 2018 and the STA cannot be renewed under the FCC CFR 47 Part 5 rules (Sp. Condition 6). However, you may file for a conventional application (Form 442) and request for a longer license period. The only locations that you can apply under this STA are NY and CA. Should we proceed with these 2 locations?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 01, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
