Mr. Ghaffari,
Thank you for your response.

It appears that I should withdraw our application until the Program Experimental Licensing (Part 5.301) is implemented.

Is this email sufficient, or should I do something else?

Once the Program Experimental Licensing is implemented, we intend to re-apply.
How will I know that it is implemented? Is it possible to receive notification from you?
Or is there a specific area on your web site that I could occasionally check?

Thank you,
Dr. Michael Parker
