

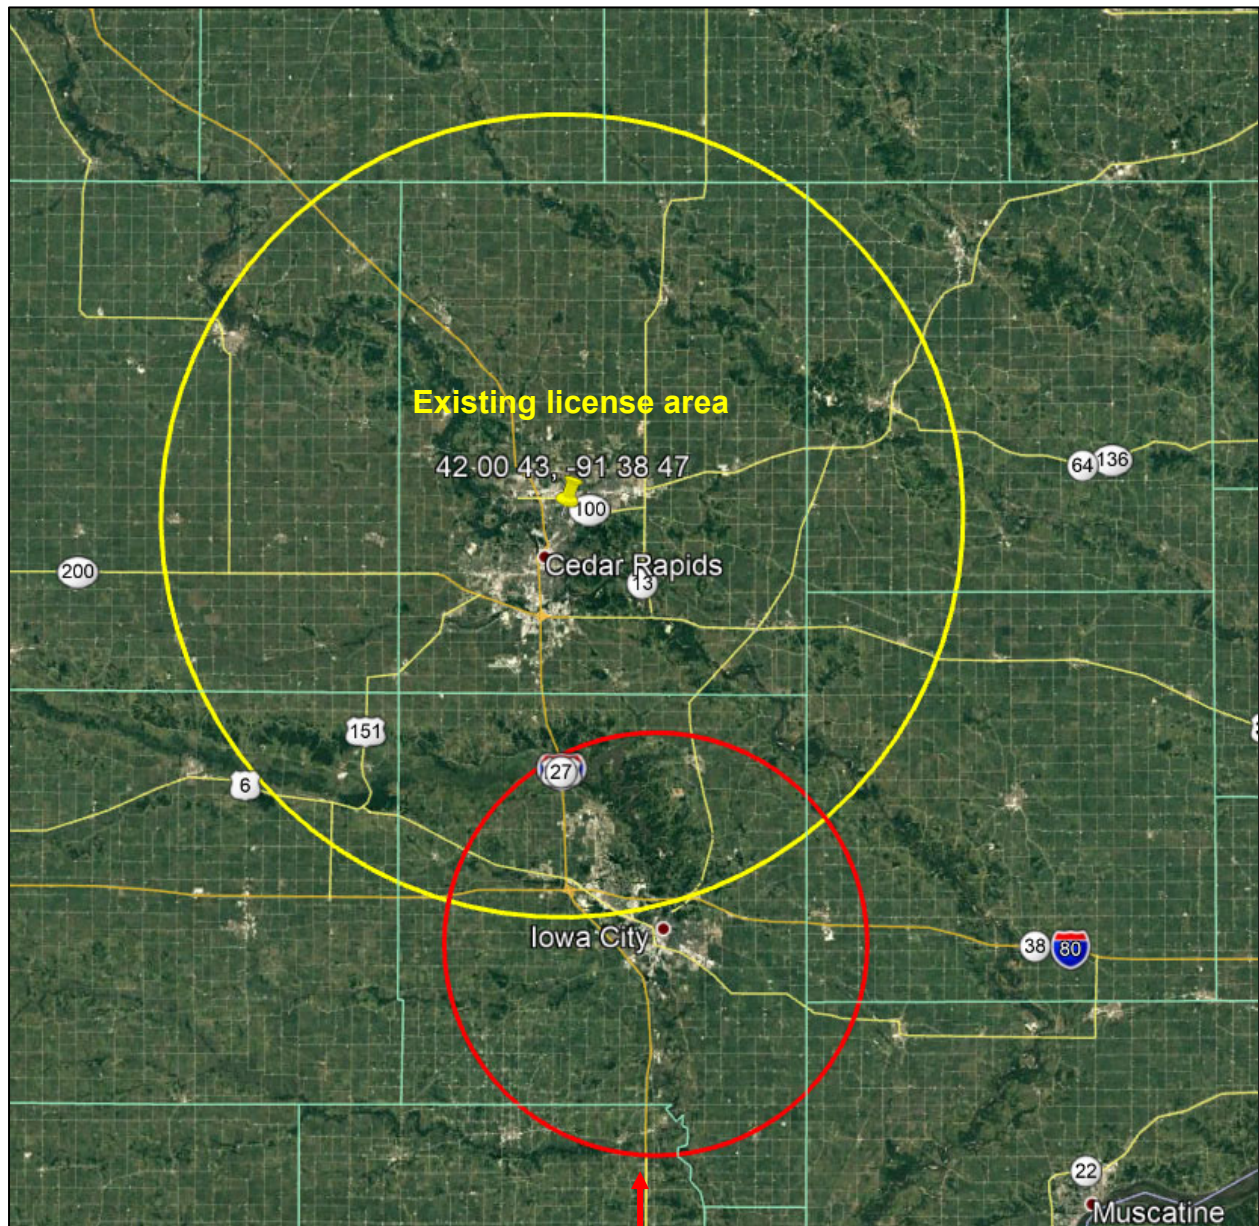

## EXHIBIT 1 DESCRIPTION OF MODIFICATION

Rockwell Collins, Inc. d/b/a Collins Aerospace—a Raytheon Technologies company—proposes to modify its license by adding a 20 km mobile location. This new location will be for the 420 – 450 MHz band only. No FAA coordination is required for this band.

**Additional mobile area  
proposed in this modification  
(420 – 450 MHz only)**
