Subject: 0200-EX-CM-2020 pre-coordination data request

Message:

Hello,

We received partial coordination from the FAA. I uploaded that document through the ELS website, but we need to adjust the requested frequency range to accommodate the coordination. Instead of 1250-1435 MHz, we request 1370-1435 MHz. Please let me know whether I need to adjust the application on my end.

Thank you,
Courtney
